Funds either already expended by the applicant for a previous phase, or funds to be programmed for use on elements within the requested project. This funding can only be considered "leveraged" funding if it goes towards eligible participating project costs.

Total Project Cost: _____

Leveraged Funds: _____ **% of Total Project Cost:** _____

Only direct funding and the direct expenses for completing project delivery milestones can be used. Please provide detailed information on actual costs for past milestones and estimated costs for future milestones.
